

USB

Phoenix Contact provides USB PCB connectors and patch cables. Type A and type C are available in the versions USB 2.0, USB 3.0, and USB 3.2 Gen. 1/USB 3.2 Gen. 2 in a variety of combinations. The data connectors for transmission speeds up to 10 Gbps are ideal for use as a service interface or for permanent transmission in protected industrial applications. The PCB connectors are available in three outlet directions and enable automated processing for SMD, THR, and wave soldering processes.

USB PCB connectors
