

Universal Glue – White

Rapid high performance hot melt glues liquefy when heated and quickly fill gaps and stick to the materials. They cool, harden and reach high bond strength in several seconds. They also allow to move assemblies immediately - open time - to eliminate clamps and reduce drying time – set time - .

Applications :

For a wide range of heavy-duty applications involving different types of material. The glue works ideally on various material and for all kind of bonding requiring a high glue output. Also good for applications where white glue is needed. To be used with EG280, 320 and any other tool from the PRO assortment.

Features & Sustainability :

Made of EVA basis.

Solvent free and non irritant.

Universal glue for all kind of bonding. Glue dries quick, helps to cover wider surfaces quickly, prevents from holding the parts too long.

Low viscosity for high flow rate which increase productivity.

High content for Installation use.

Longs sticks for high efficiency, less reloading.

Box can be presented laid or hanged.

To strengthen Rapid sustainability policy, the carton packaging is FCS certified.

Storage :

Unlimited in standard ambient conditions: 15 to 35 °C. Store away from heat.

Store in dry, dust-free, and well ventilated environment. Keep in cool and dark area.

Specifications :

- Diameter : 12mm

- Stick length : 190mm

- Colour : White

- Softening point (Ring & Ball) : 80 - 96 °C

- Open time : ~ 30 seconds

- Set time : ~ 30 seconds

- Application range : 170 - 190 °C according to the type of applicator and used materials

Description

Glue D12 Univ. White

Packaging

Box

Art. No

5001412

EAN

4051661034251

Inner/Outer

4pcs/12pcs
