

# A SERIES LASER DISTANCE METERS

The A series laser distance meters precisely measure the distance, area, and volume. Additional measurements include add/subtract and Pythagoras. This series can also store 99 groups of data.

## Applications:

interior/exterior design, construction, factory supervision, engineering inspection, traffic accident evidence gathering, real estate development, and fire assessment.

Max range: 120m

Ergonomic exterior,  
comfortable handling

Millimeter accuracy

99 groups data  
storage

Quick, self calibration

Real-time readout

Horizontal/vertical  
leveler

Max/Min/Area  
measurement

Interior/exterior design

Traffic accident evidence  
gathering

Factory supervision, engineering  
inspection
